

CREATING CUSTOM EVENTS THAT STRENGTHEN BRAND CONNECTIONS.

Harbor Entertainment translates your brand identity and values into a unique experience with our innovative approach. Our specialty is working as an extension of your team, overseeing events from the big picture to the smallest detail. Whether it's one-of-a-kind meetings, brand activations, trade shows, corporate appreciation events or building show stopper specialty pieces, ***our passion creates spectacular events.***

LET US HELP YOU:

PLAN

Event success starts with listening to your goals. We develop and execute based on those goals.

- » Overall Event Concept
- » Research
- » Strategic Planning
- » Location Scouting
- » Venue Selection
- » Budgeting
- » Invitations and Registration

DESIGN

Each event is unique. Through clear design plans we help you visualize the event before it happens.

- » Set Pieces
- » Room Layouts
- » Custom Decor
- » Brand Integration
- » Custom Graphics
- » 3-D Rendering & Animation
- » Attendee Experience

PRODUCE

The technical elements that make your event stand out.

- » Space Planning
- » Technical Production
- » Audio Visual Elements
- » Special Effects
- » Temporary Structures
- » Talent Procurement

MANAGE

For flawless execution we are your on site support team.

- » Destination Management
- » Detailed Scheduling
- » Run of Show
- » Permitting
- » On Site Event Logistics
- » Trade Show Logistics
- » Vendor Management

WHAT OUR CLIENTS ARE SAYING:

"Harbor Entertainment was a pleasure to work with! Drew Dedo and Kasey Lowry, made the process of planning an event out of state painless! They were patient and hard-working at all times. Drew went way beyond what was required of him. It was nice to relax and know that I had such great planners who were working so hard on my behalf."

- Shelva Suggs Regional Specialist, Northeastern US, YPO
